WESSEX RMX DECKS NOW FEATURE OUR

GENERATION 2 INNOVATIONS

Minimal maintenance and maximum productivity benefits are always at the fore when we create a machine, and with the Generation 2 this is no different. We've taken the benefits of our Generation 1 to the next level, and we genuinely believe these machines are unmatched on the market, in terms of quality of cut and downtime.

When only the best will do...

GENERATION 2 BENEFITS

- ✓ **INCREASED TORSIONAL STRENGTH** – Unmatched durability
- ✓ **REDUCED WEIGHT** – lower power consumption
- ✓ **IMPROVED BELT CHAMBER ACCESS** – for ease of maintenance

WESSEX AFTER-SALES & SERVICE BACK-UP

At Wessex International, our care for the customer does not stop at the time of machine purchase. Our dedicated after-sales team with their wealth of experience are here to tend to your needs throughout the working life of the machine. Whether it's machine operation, advice on application, or a technical question over maintenance, we're here to help.

DEALER NETWORK

Wessex products are sold exclusively through the Wessex UK distributor network. Our dealers have the market knowledge and experience to recommend the correct product for your application, and their in-house service and maintenance department provides a local centre for all your after service requirements.

SPARE PARTS

Only genuine Wessex spare parts should be used to maintain optimum performance from your Wessex machine. To minimise costly machine downtime, parts orders are dispatched daily to our professional dealer network by next-day carrier service (UK mainland), and 2 day for UK Highlands & Islands. If ordered before 1:00pm, parts will be dispatched the same day (subject to availability).

Our online parts store is open 24 hours a day, 365 days a year
