TO SEE A DEMO

Create the perfect seed bed or vegetable garden with a Wessex **LANDMASTER ROTARY CULTIVATOR**. Available in 1.2, 1.5 and 1.9m working widths, they are ideal for nurseries and glasshouses as well as private gardens, and boast features found on much more expensive models, such as slip clutch, adjustable tailgate and adjustable side depth skids.

Coupled to a compact tractor from 20hp+, the Wessex **LANDMASTER** rotary cultivator also meets all UK guarding regulations, for peace of mind.
